J3 M18 | First Avenue | Doncaster Sheffield

Airport Units from 13,026 sq ft to 29,790 sq ft

Available Now

Priority Space

Description

The units provide modern warehouse space and include office/toilet accommodation as follows:

- Reception area with stairs, lift and disabled toilet.
- Units will have toilets accessible to the warehouse.
- Kitchenette/tea point.
- Stairs and lift.
- Toilets.
- Open Plan office area at first floor.

The units have concrete service yards and car parking, with the 29,789 unit having a separate tarmacadam car park area. All units have disabled car parking and electric charging points.

The buildings are of duo pitched steel frame construction, with a mixture of full height factory finished steel cladding, using a mix of micro-rib and trapezoidal profiles. The roof is a factory finished metal cladding system, complete with angled fascia's and soffits. The buildings are fully insulated to meet today's design standards.

Services

- Metered 3 phase mains electricity and water is provided to the units. Interested parties should ensure capacity is sufficient for their use.
- Foul water drainage connected to mains drainage, with surface water drainage connected to a soak away within the service yard.
- Fibre Broadband is provided to all units. Interested parties should check with the relevant provider to confirm broadband speeds.

Specification
